

Craft and Technical Staffing (CTS)

Crafting Workforce Solutions for a Stronger Industry

Craft and Technical Staffing (CTS) is a leading provider of skilled workforce solutions, delivering top-tier talent across multiple industries. Our expertise in recruiting and placing highly skilled professionals ensures businesses have the workforce they need to succeed. Whether it's large-scale projects or specialized staffing needs, CTS is committed to providing reliable, safety-focused, and highly qualified personnel.

Industries We Serve

Maritime & Defense

Supporting shipbuilding, repair, and maintenance projects

Energy Sector

Supplying specialized labor for oil & gas, renewables, and power generation

Construction

Providing skilled trades for commercial, industrial, and residential projects

Heavy & Light Industrial

Meeting manufacturing, warehousing, and logistics demands

Disaster Recovery

Deploying critical workforce solutions for emergency response, storm cleanup, and infrastructure recovery

Professional & Administrative

Connecting businesses with engineers, project managers, and office managers

Why Choose CTS?

- ✓ **Nationwide Reach:** We provide workforce solutions across the U.S.
- ✓ **Skilled Talent Pipeline:** Access to an extensive, pre-vetted candidate database
- ✓ **Flexible Staffing Options:** Contract, temp-to-hire, and direct placement solutions
- ✓ **Proven Track Record:** Delivering quality work on time, every time

Partner with CTS for workforce solutions that drive success

CTS provides workforce solutions in critical industries, ensuring businesses have access to the skilled talent they need. Our key service areas include:

- ✓ **Direct Hire & Permanent Placement**
Connecting businesses with long-term high-quality talent
- ✓ **Temporary/Contract Staffing**
Supplying skilled professionals for short-term or project based needs
- ✓ **Temp-to-Hire**
Providing flexible workforce solutions with the option to transition employees to full-time roles
- ✓ **Tiger Teams**
Rapidly deployed, supervisor-led teams designed to tackle complex, high-priority projects with precision and efficiency

Our Competitive Edge

CTS delivers workforce solutions tailored to industry needs. Our expertise ensures:

- ✓ **Rapid Deployment:** Our extensive database and streamlined hiring process allow us to place skilled workers quickly, minimizing downtime for your projects.
- ✓ **Commitment to Safety & Compliance:** We adhere to industry regulations and prioritize safety in every placement, ensuring compliance with OSHA, NAVSEA, and other industry standards.
- ✓ **Industry-Specific Expertise:** Our recruiters specialize in matching candidates with industry-specific requirements, ensuring a workforce that meets your exact needs.
- ✓ **Nationwide Workforce Deployment:** Mobilizing skilled workers efficiently to meet client demands.
- ✓ **Long-Term Partnerships:** CTS isn't just a staffing provider—we're a workforce solutions partner committed to your company's success.
